Dear Dr. Malloy:

It is with great pleasure that I am writing to inform you of your selection to receive the Saleem A. Shah Early Career Development Award, which is co-sponsored by the American Academy of Forensic Psychology and the American Psychology-Law Society (Division 41 of APA).

This includes a monetary award of \$2000, which will be sent to you under separate cover. In addition, you are invited to present the Saleem Shah Address at the AP-LS annual meeting in New Orleans in March 2014.

The committee reviewed a number of nominations, and we found that your ability to integrate your research with public service, practical application, teaching, and mentorship of others captured the essence of this award.

On behalf of the review committee, AAFP, and AP-LS, I wish you all the very best and continued success in your career.

Sincerely yours,

Anita L. Boss, Psy.D., ABPP  
President-Elect, AAFP
